

STAT

PLANS AND PROGRAMS STAFF WEEKLY REPORT FOR
PERIOD ENDING 1 JUNE 1983

1. Progress Report on Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred
During the Preceding Week:

a. LIMS

(1) The LIMS Quality Assurance Plan (QAP), Chapters 1-5, was approved and baselined in a CCB meeting, 26 May. Subsequent chapters are in preparation (draft versions).

(2) The ODP Quality Assurance Group is creating a GIMS data base known as the Status Accounting System for LIMS. This system will provide the status of action items, discrepancy reports, requests for changes--and a historical record of these items once they have been completed. A LIMS calendar of events will become available. Query capabilities will permit the recovery of selected information by the user. A user manual and system training will be provided.

(3) A due date of 10 June has been established for the delivery of the draft Detailed System Requirements Document to the development contractor. P&PS is assisting in the preparation of this draft.
